PROJECT WORK:

Storyboard & Design, NEWM N100 Introduction to Digital Media Principles, December 2005

Awarded first place (over 90 students) for storyboarding and illustrating a potential website redesign for Front Porch Church of Columbus, OH.

Awarded second place for designing a personal/self logo.

Digital Archive, May 2005

Researched, designed, and implemented a historical digital archive interactive CD (using Macromedia Flash) for F.J. Reitz High School in Evansville, IN. Profits from sales are donated to the school.

Journalism Department Website, August 2004, www.ReitzJournalism.com

Designed the first website for the F.J. Reitz High School Journalism Department, allowing the newspaper and yearbook to advertise and publicize more effectively.

Content Management System, July 2003 - Present

Programmed and designed a Content Management System (called AdminTools) using PHP and MySQL to assist in maintaining the longevity of websites.

ACTIVITIES:

Bible Study Leader, 2001 - Summer 2006

Organized and lead weekly Bible Studies.

Multimedia Advisor, 2000 - 2005

Volunteered as the Multimedia Advisor for Eagle's View Church of Evansville, IN.

Video Editor, Fall 2004

Produced and edited weekly football highlight videos for the F.J. Reitz High School Football Team.
